# ShareLife

Dear Parishioners,

Through your generosity to ShareLife, lives are being changed here in our own region through agencies like CFS Counselling + Wellbeing in Simcoe County. At a time when anxiety, loneliness, depression, and family struggles are affecting so many people – including people quietly suffering in our own communities – ShareLife allows the church to respond with compassion, hope and healing. One young woman supported through a ShareLife-funded youth program was living in an unhealthy and painful home environment. She felt isolated, anxious and without direction. Through counselling and support, she was able to find safe housing, rebuild her confidence, and begin a completely new chapter in her life. Today, she is studying social work herself so that she can one day help others who are struggling as she once did.

If the ShareLife campaign reaches its goals this year, additional food security grants may become available, including the possibility of support for our own Guardian Angels Food Bank. Your generosity not only changes lives across Simcoe County and the Archdiocese, but may also strengthen our ability to care for neighbours in need right here in our own parish family. Please give at the parish using a ShareLife envelope, online through our parish website, or at [sharelife.org/donate](http://sharelife.org/donate).
